

# Andrea Robertson

Business Analyst

512-363-3738

hello@andrearobertson.com

andrearobertson.com

Austin, TX

I'm a passionate and creative analyst with a focus on user experience and innovation. I love collaborating with inspiring people and challenging myself every day.

## Education

2006 - 2010

**Texas A&M University**, College Station, TX

*Bachelor of Business Administration in Finance*

Minor in Psychology, Certificate of International Business

Dean's List – Fall 2008

2009-2010

**Lancaster University**, Lancaster, UK

*International exchange program*

Spent one academic year abroad studying finance

## Experience

Jan 2011 - Present

**Advanced Solutions International**, Austin, TX

*Business Analyst (2016 - Present)*

Wrote system requirements for the iMIS software platform with a strong emphasis on usability. Worked directly with management and product owners to ensure business objectives were met.

*UI/UX Developer (2011 - 2015)*

Built and maintained Sass framework and several responsive themes. Designed and built a staff-facing portal, and later redesigned it to use responsive design. Three-time winner of ASI's Hack Day "Peer of the Year" award.

Oct 2004 - May 2006

**Habitat for Humanity**, Round Rock, TX

*Volunteer Webmaster*

Built and maintained organization's website. Updated website daily according to board members' specifications. Took photographs at events for use in publications.
